

OTIS decision and agreement form

Please complete this form and sign it to complete the registration process for OTIS. A modern PDF viewer may allow you to type directly into this file; for example, Google Chrome can do this and output to PDF. You are welcome to just type the names in this way as a signature to save yourself some effort. Otherwise, you can print it out and scan a physically signed copy, too.

By signing below, we indicate that we have read [otis-syllabus.pdf](#) and [parent-info.pdf](#). As a corollary, we certify that:

- We understand the [unlock-based structure](#) of OTIS: completing units unlocks new ones.
- We understand that OTIS is [completely self-paced](#) — there are no deadlines or periodic reminders, and students are responsible for finding time to work through the curriculum themselves.
- We understand the importance of [asking for help](#), as described in §3.3 of the syllabus.
- We understand problem sets are [checked off](#) and not graded line by line.
- We understand the [drop policy](#) as described in §1.4 of the syllabus, as well as the general calendar for the year described in §1.1.
- We understand the payment of \$240 for [each](#) semester (two of them) unless you have financial aid. The [payment deadlines](#) are September 21 and January 21 for fall and spring respectively. We are aware of the \$60 [late fee](#).
- The student is familiar with all §1 through §9 of [otis-syllabus.pdf](#).
- The parent or guardian has received [parent-info.pdf](#) and read it.
